- Statements made to Revolución newspaper on Lt Aquiles China's suicide.
- The first issue of Edición de la Libertad of weekly Bohemia will be circulating this Sunday. This edition carries a note signed by Fidel and reading as follows, quote: **"To Bohemia goes my first greeting after our victory, for this magazine was our most steadfast bulwark. I hope it will help us in peace time just as it did during these long years of struggle, because our toughest and hardest task begins now,"** end of quote.
