

January 1st,1999

Publicado en Fidel soldado de las ideas (<http://www.comandanteenjefe.net>)

"It is not our fault, nor can we take credit, if the struggle that began on January 1st must inevitably become for the people of today and tomorrow other people's struggle for the benefit of all mankind. No people on their own however great and rich they might be, much less a middle size or small country, can solve their problems by themselves and on their own".
